Major Partners

Founded in 1897 and built on strong values, Montpellier Business School offers French and international students, who are unique in their diversity and background, the excellency of an internationally recognized French Grande Ecole of Management.

Its legal status of non-profit association, under the law of 1901, ensures the openness and stability of its governance structure, gathering now local authorities, public institutions, major partner companies and the Alumni Association.

## OUR Values

## OUR Mission

Montpellier Business School is strong with its values of ethics, diversity, openness, global responsibility and performance. Its overall mission is:

***“to train, through higher education programmes, managers that are strong in their diversity, aware of their global responsibility in carrying out their missions and able to adapt to changes in local, national and international environments”.***
