Welcome to the French in Normandy Junior Summer Program!

Welcome to the French in Normandy Junior Summer Program!

Since 1989, Camp Rialp has a reputation as one of the best junior summer Camps. It was created in cooperation with our Camps from the South of France located in Andorra a small country in the mountains.

Our students are hosted in the EUROSKI hotel which is open EXCLUSIVELY for participants of Camp Rialp. The student's bedrooms are for 2, 3 or 4 people, with bathtub or shower.

The camp gives youngsters the opportunity to learn French combined with multiple adventure activities.

The classes take place from Monday to Friday, 09:45 to 13 o'clock divided by levels and ages (according to the level of every student). The teachers are qualified and have experience following a continual evaluation process. Our students can learn French, English or Spanish in a communicative way, enjoy all kinds of sports, make friends from different countries and have lots of fun to make it the best summer of their life

Camp Rialp menus are designed to provide balanced intake, necessary for all the activities, and to ensure a healthy diet. Apart from a breakfast, lunch and dinner, sandwiches and snacks in the morning and afternoon are always available.

Thanks to the fabulous facilities the hotel has to offer in their free time, participants can do all sorts of different sports (football, volleyball, badminton ping-pong, etc.) and use all the facilities of the Hotel. Also, at night they can choose other activities: big screen cinema, television, games room workshops, indoor and outdoor night time games, quizzes, such as activities, board games (parhccsc, goosc, chckcrs, chess, monopoly trivia...), speak on WhatsApp or telephone, etc.

One quarter of our students come from over 21 DIFFERENT NATIONALITIES Spain, Andorra, France, Italy, Germany, Switzerland, Russia, Ukraine, Slovenia, Norway, USA, UK, Ireland, Mexico, Colombia, Dubai and China.

Together, Ferran and I do our best every year to make from French in the Pyrenees the Number 1 summer camp.

General Information

Supervision

Camp Rialp participants are accompanied by their group monitor, by the activity leader and always under the watch of the Management team. The groups are between 10 and 12 students and they have a monitor/supervisor and a coordinator in control at all times.

Monitors

Camp Rialp monitors have appropriate qualifications and are International. All of them have been interviewed and selected by Camp Rialp Management. All of them have received a detailed training both theoretical and practical before the start of the camp, relevant and adapted to the specific interests of every Camp, making what will be an unforgettable experience for all participants.

Behavior

During the stay, we insist on having some rules and good civil behavior, small but big things that allow us to live together happy and enriched. All the monitors and teachers will remind students of daily things like: responsibility, respect, the will to help out, tidying up, the will to do sports, table manners, respect to nature, etc.

Food

Camp Rialp menus are designed to provide balanced protein and vitamin intake, necessary for all the activities, and to ensure a healthy diet. Apart from breakfast, lunch and dinner, there will be sandwiches and snacks in the mornings. Meals will be served in a buffet format where our young and hungry campers can eat as much as they like and come back for second helpings. The hotel staff are on hand if they need anything. If a student has any problems with food types or has allergies, please tell us on the registration form. *Special menus can be provided for example Gluten free etc.

Medical service

At Camp Rialp we have a qualified emergency first aider on duty at all times. Their job is also to administer medication etc. For cases that require medical care, Canillo Health Center and Hospital of Our Lady of Meritxell in Escaldes are both close by.

We do not allow youngster to self-medicate and we do not recommend that children bring medicines with them if they are not essential. If you have essential medicine then you will be required to deliver it to the nurse on tour arrival. If a child / needs medication during their stay, any expenses incurred will be the parents' responsibility. Participants should bring a copy of the travelers application form to Camp or otherwise, your private health insurance card.
